PROFESSIONAL STANDARDS DIVISION**

Safe Practices Handbook Acknowledgment

The Orange County Sheriff's Department Safety Handbook is available on-line at the OCSD *Intranet* under the "Employee Center." This Safe Practices Handbook has been prepared with your personal safety and well-being in mind. You are expected to read, understand it, and follow these practices as you perform your daily work assignments.

This handbook is not intended to specifically cover all of the many situations that constantly confront the members of a law enforcement organization. Your chain of command should be consulted for clarity in such circumstances.

This handbook is confidential in nature and as such, the information contained herein is not to be divulged to those for whom it is not intended.
